This is a qualifying rally for the 2009 USPC National Championships. The rally is open to C-1 and above. Note: for First Level and up or Quadrille teams one member may be a D-3. USPC uses USEF, FEI Level Dressage Tests, Musical Freestyle tests, Pas de Deux and Quadrille tests. Participants will ride 2007 Test 2 and Test 4 of either Training Level, First, or Second Level; or Test 1 and 3 of either Third or Fourth Levels. In addition any rider wishing to qualify must ride a musical freestyle or become a partner in a Pas de Deux at the same level. Maryland Region policy requires that riders score a minimum of 60% on their dressage tests to qualify for Dressage Championships. The region will send one team in each of the following levels:

Training level- The team will consist of 4 riders and a stable manager or a short team of 3 riders and a stable manager.

First level- Team will consist of 4 riders and a stable manager or a short team of 3 riders and a stable manager.

Second Level and up- may qualify as an individual and will be placed on scramble team for Championships.

In the event that 4 riders in the Maryland Region do not achieve 60% on tests ridden at the qualifying rally, selection of team members will be at the discretion of the RS.

The 2009 USPC Dressage Rulebook will be used. No whips allowed during riding of tests.
