**DIRECTIONS: 1201 Olney Sandy Spring Rd. (Route 108) Sandy Spring MD 20860**

*From Washington Beltway:* Take New Hampshire Ave. (Rte. 650) North from Beltway to Route 108 in Ashton (about 10 miles). Turn Left (West) on Route 108, and go 2 miles through Sandy Spring to Avalon Farm on the right.

*From Baltimore Beltway:* Take Route 70 North towards Frederick. GO South on Rte. 29 towards Columbia. Turn right (West) on Rte. 108 towards Clarksville. Stay on Rte. 108 through Ashton (intersection with New Hampshire Ave., Rte. 650). Continue 2 miles through Sandy Spring to Avalon Farm on your right.

*From points North and West:* Take Interstate 70 towards Baltimore to Rte. 97 (Georgia Avenue Extended) South, towards Olney. Stay on Rte. 97 until you reach Olney, (about 12 miles). Turn Left (East) on Rte. 108, and go 3 miles to Avalon Farm on your Left.

*Looking on the Map?* Avalon Farm is on Rte. 108, halfway between Olney and Ashton, in Montgomery County, Maryland. It is *approximately central to Frederick on the Northwest, Baltimore on the Northeast, and Washington, D.C. on the South.*

*LARGE GOOSENECKS* approaching from the East (Ashton) should continue beyond Avalon Farm to Sherwood Elementary School (immediately after the Farm on the right), and turn around in the school parking lot to approach from the West. It is a much easier approach to the driveway and avoids a large tree.
